REPORT OF FOREST FIRE WARDEN

Howdy Folks. This is your friend Smokey the fire prevention bear talking for Walter Smith your local forest fire warden. You know how he is always asking you people to take it easy with fire in the woods? Well, he wants you to know that forest fires decreased last year. He knows it did rain some but it was the help of all you people who are giving their time and money and carefulness to prevent this shameful waste of our woodlands. But please remember this, folks, forest fires still do a lot of damage each year. And we got to work and work to whittle them down to our size. So when you're around forest areas, crush out your cigarette, hold your match till it's cold, drown your campfire and drown it again. If you have to burn grass or brush or rubbish, ask about the law first, also get your permit from your warden and last, have plenty of help handy. Please remember a permit is required for all open fires whether in an incinerator or on a piece of plowed ground. Your local forest fire warden will help you in your burning problem and he is as close as your telephone. Please call him.

Each year forest fires destroy enough sawtimber to build all the homes in a city of one-half million people.

Each year forest fires eat up enough sawtimber to make ties for 50,000 miles of railroad tracks.

Each year forest fires destroy enough pulp-size trees to provide a 12 months supply of newsprint for every newspaper in the United States.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES.

B. REPORT FROM YOUR SUPERINTENDENT

Improvements and Repairs:

We have a fine school plant and wish to keep it in excellent condition. We seek to make all of it provide maximum use for a modern educational program.

It is recognized that the auditorium can be improved. As a broader program of school activity is developed, this space no longer remains idle. It is fast becoming one of the busiest rooms in the school, in daily use for recreational, dramatic and music activities by all grades.

The heating system in the auditorium is inadequate. There are insufficient heating units to provide for economical and healthful conditions during the colder months. A plan is being presented by your school board to the budget committee and to the voters to improve this situation.

Physical education is becoming very much a part of the elementary program. In fact, it is of greater value to younger children in the formation of good health habits, development of skill and coordination, learning wholesome games, than to those with more fixed patterns of behavior. Such a program includes competitive sports. However, competition between schools, and for the sake of competition only, has a very limited place in the total recreational program.

If integrated with other subjects and scheduled carefully, these activities can be placed in the school program without interfering with scholastic attainment.

The school board has the definite promise of funds, other than tax dollars, for changing the auditorium, to make it more practical for active games. Light fix-

tures need to be recessed in the ceiling, basketball backboards need to be purchased and attached in the best way possible, windows need guards that will be convenient, yet permanent. It is our belief that these changes should be completed with good workmanship and permanent material, when the decision is made to make them.

A short time ago, lightning struck our building and gave real cause for concern. This year voters will be asked to provide lightning rods to prevent damage and danger in the future.

INSTRUCTION

The teaching staff of any school is the core of its success.

Mr. Everett Rockwell served as our principal and teacher of upper grades for several years and endeared himself to us with his warm personality, his humor, his interest in our boys and girls. He left us to become principal at Amherst.

Mr. Donald Elsemore is now serving us as principal. He brings youthful vigor, new ideas, a splendid scholastic background and a willingness to work unceasingly for our children's good.

Mrs. Wanda Brooks, too, left us at the close of the last school year. She had taught our beginners for several years in a very capable manner.

Miss Violet Kimball replaces Mrs. Brooks as our primary room teacher. She is devoting herself conscientiously to training the largest group of several years in grades 1 and 2.

Mrs. Thelma Colby and Mrs. Helen March continue as our middle grade teachers. We can rely on their experience and skill to help our boys and girls continue their progress through the grades.

Mr. Brewster, Mrs. Armstrong and Miss Jackson spend time each week, sharing their abilities in wood-working, homemaking and music with our children.

Each year we find the supply of good teachers more limited. I know that Tuftonboro wants to continue to maintain a superior staff by paying good salaries and accepting its teachers in friendly manner.

We are constantly reviewing our program of instruction and striving to improve it, when the need is seen. Our teachers are taking courses, reading and planning to better serve our children.

We have a good clean school environment, good equipment, ample supplies, a superior faculty, an adequate health program and a community that seems to desire the best for its children. We must continue to be alert and willing to provide them with the best in educational training, for happiness and service in a difficult and ever-changing world.

**WARRANT, SCHOOL DISTRICT MEETING
THE STATE OF NEW HAMPSHIRE**

To the Inhabitants of the School District in the Town of Tuftonboro, New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 8th day of March, 1955, at two o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to author-

ize the application against said appropriation of such sums as Foundation Aid Fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To transact any other business that may legally come before said meeting.

Given under our hands at said Tuftonboro, New Hampshire, this 15 day of February, 1955.
